

The Interracial Cuckold Resort

graphic novel by cuckoldplace.com

The Interracial Cuckold Resort is located in one of the most beautiful spots on the face of the earth: The Jamaican coast. It is dedicated exclusively for couples from North America and Europe to enjoy an unforgettable vacation and live out their **darkest fantasies.**

The Interracial Cuckold Resort is a full equipped 4* Hotel that offers you the possibility to relax in the sun and bond with local black men! We offer our services to couples exclusively - We are not a place for desperate single women!

What is important for you to know is that **WE DO NOT ENGAGE IN PROSTITUTION** - and we don't need to. The black men in our resort are independent Jamaican men with regular jobs who are spending their own holidays at The Interracial Cuckold Resort. We do not pay them, but they get to live and eat the resort for free for several weeks a year.

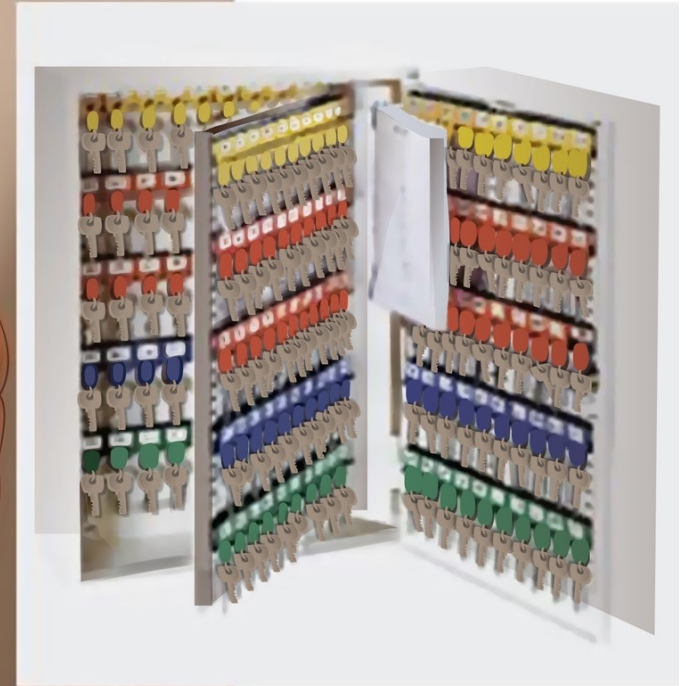

Each of them is checked for STD's at their arrival so you will not necessarily need to use condoms.

There is one thing we would like you to respect: Our resort is dedicated to the fascination of sexual encounters between black men and white women and especially the lifestyle of interracial cuckolding. This means our male white guests withdraw themselves from intercourse during their stay and enjoy the pure beauty of interracial sex. Our guests usually consider this a pleasure, not a constraint.

In fact, we are proud to say that no white male has ever ejaculated at The Interracial Cuckold Resort since its opening! We consider this one of our core principles. Therefore, every white male is given a chastity device right after his arrival. Don't be scared, they are perfectly hygienic and comfortable! The key to the device will be secured by us until your departure.

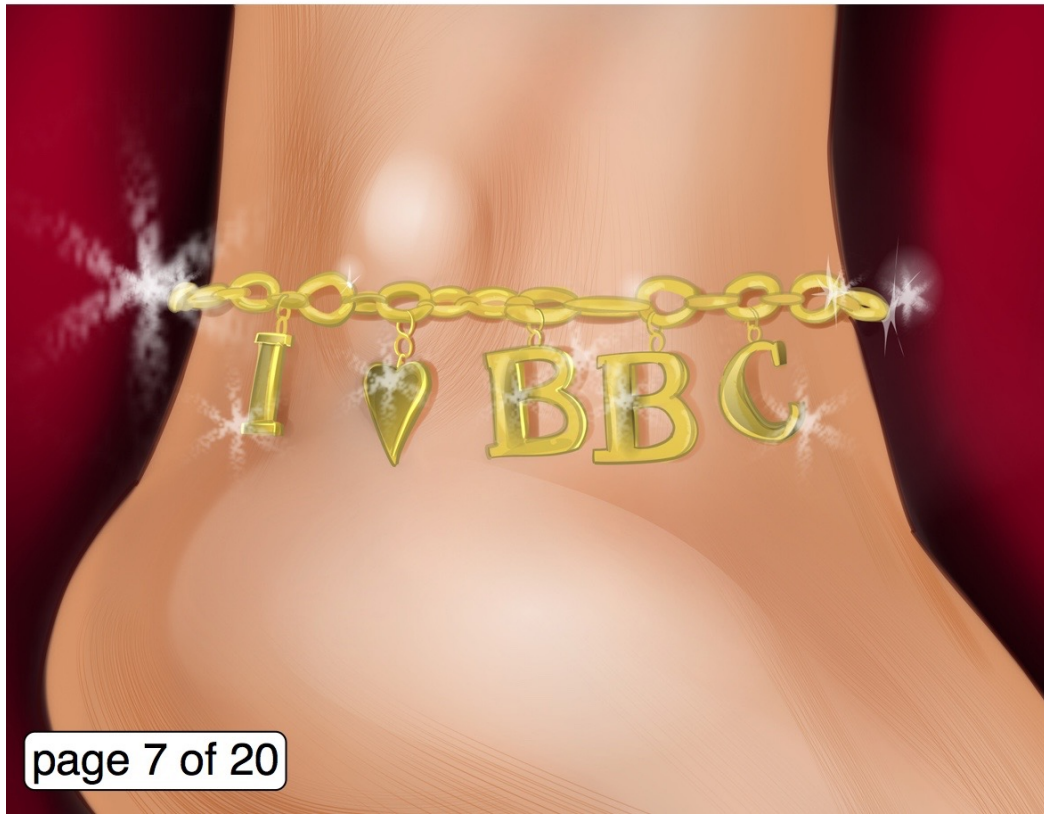

If you are not familiar with chastity devices yet, both of you will learn to enjoy them (OK maybe the women among you might enjoy them even more than the men...)

The women will receive an ankle bracelet on the day of their arrival.

Wearing it is a decent sign to show your availability to the black men.

If you need a break, do not wear it and you will not be approached. The ankle bracelet is free and you can keep it.

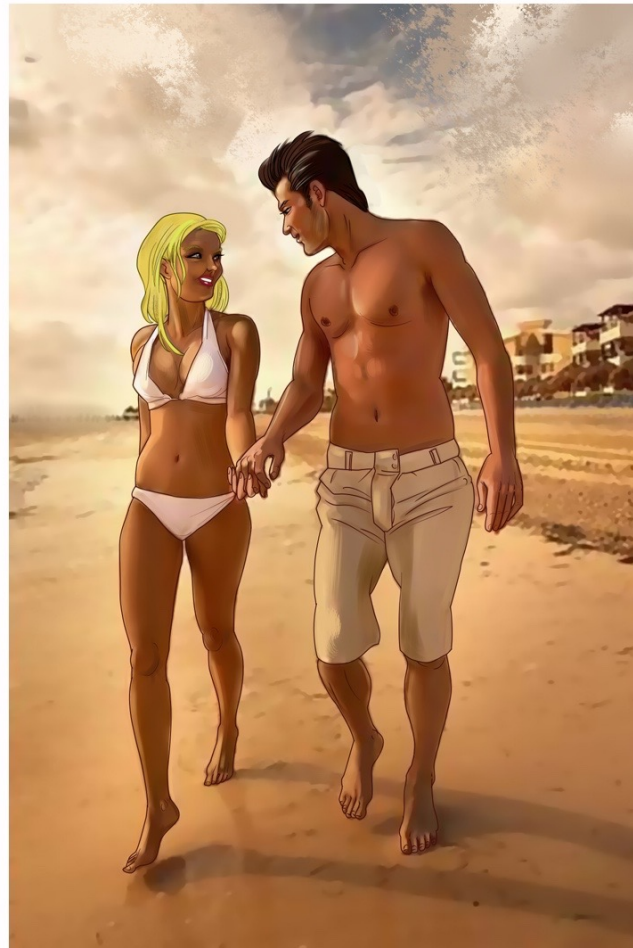

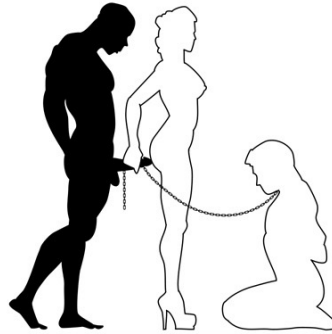

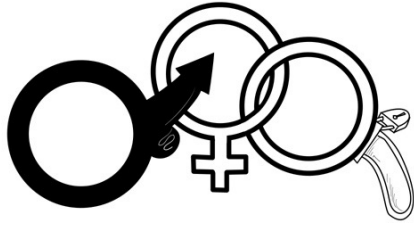

**The dress code involves only one rule:
White males are expected to wear at least shorts when outside of their room.
Black men and our female guests are welcome to be nude everywhere around the resort.**

Although most women prefer to only flirt on the beach and the pool and take their lovers to their rooms for the act itself, you are welcome to engage in intercourse in the open areas of the resort. We only ask you to not ejaculate in the pool, thank you!

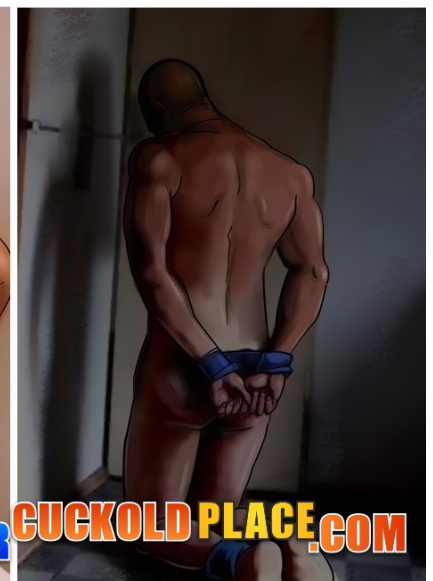

Please respect that some of our guests oppose the idea of white-on-white sexuality and may be offended by its open display, so please constrain your interaction as a couple to kissing, holding hands and activities clearly dedicated to the white man's submissive role as a cuckold.

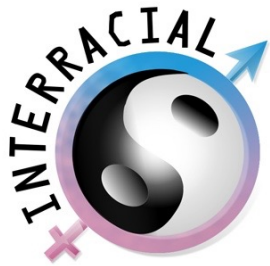

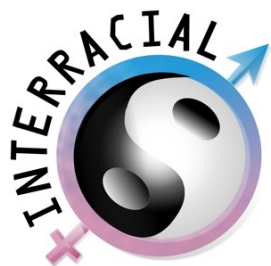

In your room, you can of course do as you please - as far as the chastity belt allows it....

**Those who
enjoy BDSM will
find the
necessary
equipment in
their room.**

Every night, there is a party at the IR Club. 3 nights a week, the dance floor is reserved for the women and the black men only.

We also have a cinema that shows you the best interracial porn movies all day long!

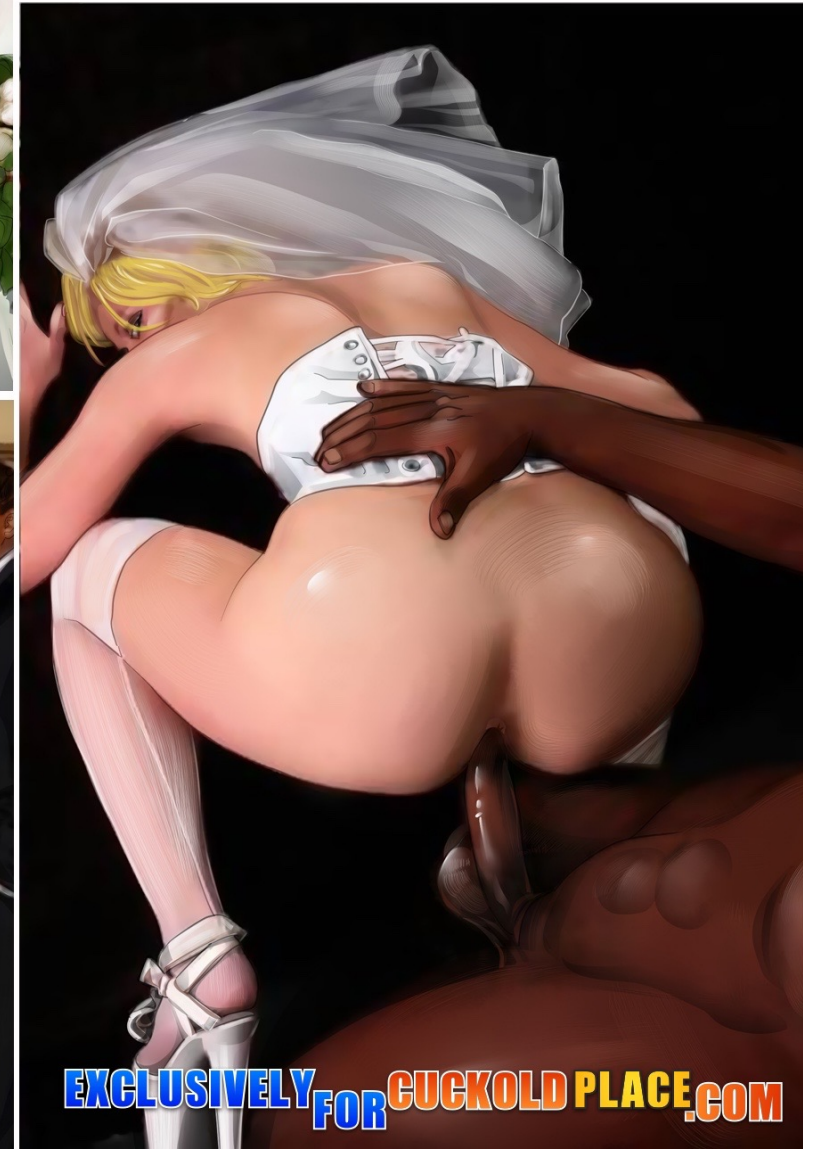

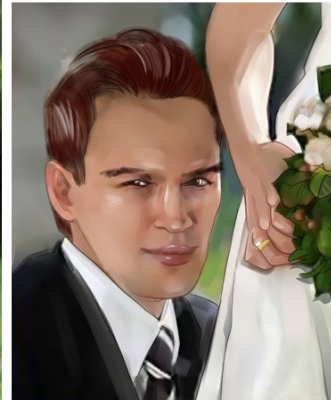

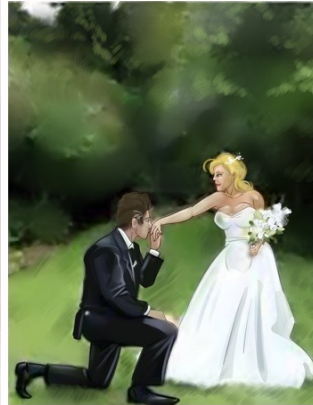

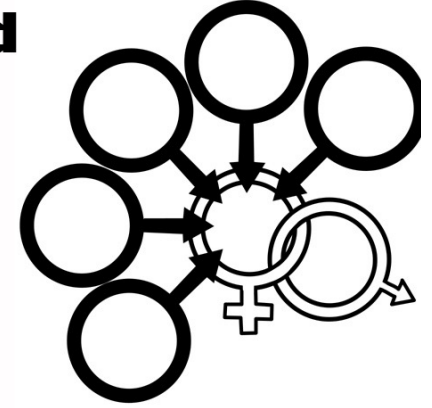

One out many possible activities: Rent a boat for the day and go on a cruise!

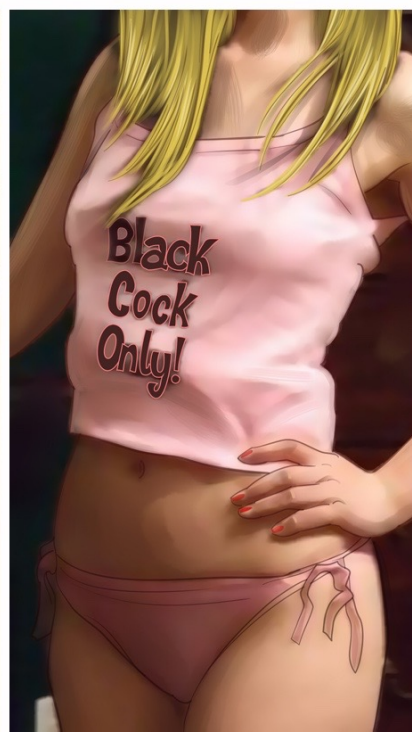

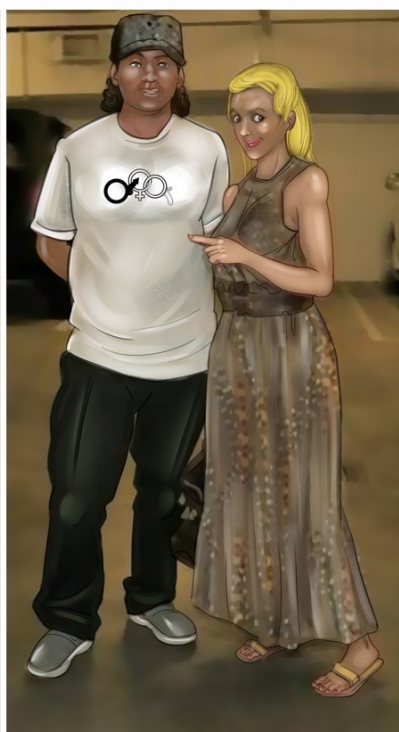

As a special offer to all newlywed couples who are spending their honeymoon at The Interracial Cuckold resort, we will organize your personalized second ceremony: The Cuckold Wedding!

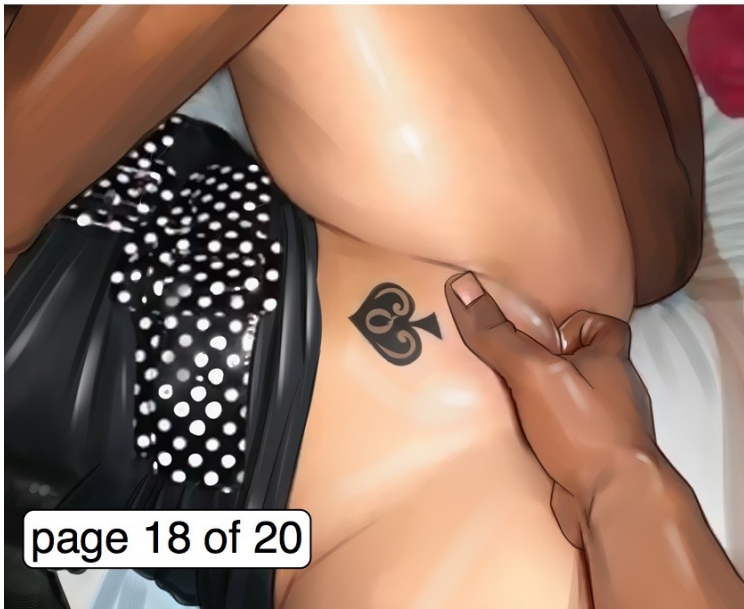

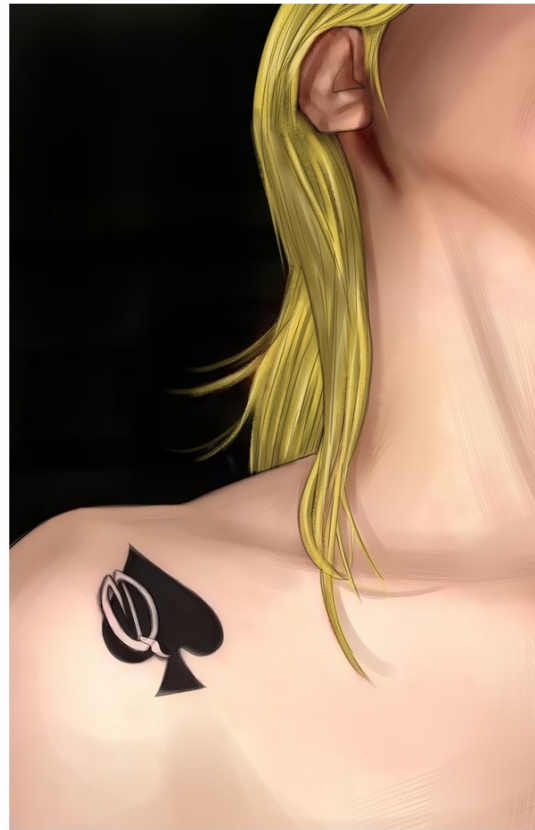

In our shop, you can find a huge selection of Interracial and Cuckold merchandise.

We also have a tattoo shop - Go and get your Queen of Spades tattoo on your next vacation! (We also offer them as henna tattoos)

Be the star of your own porn movie! We will have it filmed and cut for you by professionals. This will be the perfect souvenir from your vacation!
